Course Title: MSc Big Data Technologies
Course Code: 15BGDATA/1/F09G1
Full Name: Aasma Qaisar
Student ID: S2336282

Dear Aasma

Welcome to Glasgow Caledonian University for session 2023/24. You can now register as a student of the University using your unique username and password below:

Username: AQAISA300

Password: tjt3D1Y1SNg5

Please keep your password secure and do not allow others to use it. If you cannot get logged in, your password may have expired. Click here to find out how to reset it.

If you have any questions or need help during the registration process, look at our Registration Help and FAQs on our website.

What you need to do now:

Register - Go to https://www.gcu.ac.uk/student/essentials/registration and follow the instructions. You must register before we can give you access to university systems such as GCU Learn and the library.

Send us your photograph - We need your photograph to create your student card. You should upload a photograph during registration. If you have issues in doing so, you can email us a photo.

Remember before submitting that your student card is a form of ID, and you may be
