CW2 Verification Submission

Surname	
First Name	
Student ID	
Caledonian Email Address	
Campus (London or Glasgow)	
Date	

1. Please make sure that you change the filename of this submission document to use the following naming standard:
   The filename must have the following structure: [SURNAME],[FIRSTNAME]_[STUDENT-ID]_CW2_Verification.docx. SURNAME or FIRSTNAME can be substituted by '-' character if required.

2. Note: Change the URL entry below to provide your exact Cloud URL with static IP address. Provide your login credentials.
   Please note that each of the XXX parts below can obviously be 1,2 or 3 digits.

Your Cloud Node-RED URL	http://XXX.XXX.XXX.XXX:1880
Just the IP-address part of the URL above	XXX.XXX.XXX.XXX
Cloud Node-RED username	
Cloud Node-RED password	

3. Provide **below** the screenshot delivered when executing the provided Cloud Node-RED code. Then save this document and submit it in the **VERIFICATION-CW2 entry** in the GCU Learn IoT module entry, 'Assignments and Tests' area.
